Amendment to Regulations 2025 for UG

The proposed amendment to Regulations 2025 regarding the inclusion of credit transfer and course dropping in lieu of NPTEL courses was presented before the Second Academic Council on 19.06.2026. The members noted that the credit transfer provision was already available in Anna University Regulations 2025; however, the course dropping provision was not explicitly mentioned. Since this provision was available in Anna University Regulations 2021 and has also been included in the proposed Autonomous Regulations 2026, the members discussed and approved the amendment of course dropping in the Regulations 2025.

This amendment comes into effect from the Odd Semester of the Academic Year 2026 - 27.
