DEVELOP YOUNGSTERS... TO DEVELOP INDIA

Our Voices

It is a matter of pride to pen down the message for "OUR VOICES" the annual magazine from the Department of CSE. Academic excellence along with Co-curricular and extra curricular activities complete the process of education. It gives me a great satisfaction that the Department is processing in all its accomplishment towards the overall development of the students. I wish a great success to CSE Department in all its endeavors.

Dr. S. Arumugam Ph.D./CEO, Nandha Educational Institutions

VISION OF THE INSTITUTE

To be a Technical Institution with Global standard of Academic and Research for the need of Society and Industry.

MISSION OF THE INSTITUTE

To provide value based technical education to produce quality professionals and responsible citizens. To perform state of art research and develop products to contribute to the Society and Nation

VISION OF THE DEPARTMENT

To be a center of excellence in the field of Computer Science with Global standards of Academic and Research for the need of Society and Industry.

MISSION OF THE DEPARTMENT

To provide value-based Computer Science education and produce innovative, competent and high-quality Computer Engineers for the growing demand of Society and Industry. To facilitate the students for enhancing the technical skills to involve in research activities through lifelong learning.

Principal
Dr. S. Nandagopal

If the smile on the faces of our students and their engagement is any indications, it will be a year of continuous improvement for each and every panther. The student's active participation towards the growth of our institution coupled with their active engagement in Computer Science and Engineering department activities shows that we are processing towards our college theme.

Head / CSE

It gives me a great opportunity to present the first issue of "OUR VOICES". This internal newsletter is one of the way in which we can disseminate information on the life of the department. 2024 - 2025 this year of various activities and achievements by the students and faculty in academic, Co-curricular, extra-curricular as well as Research & Development. As you read through the pages, you will realise that the Department particularly had a successful semesters. It has been an interesting and busy semesters for faculties and students of the Department. We are on a mission to enhance our academic excellence and to make a difference.

Watch closely now!

I would like to thank all my colleagues for their tireless efforts to help the Department, progress at a very steady pace.

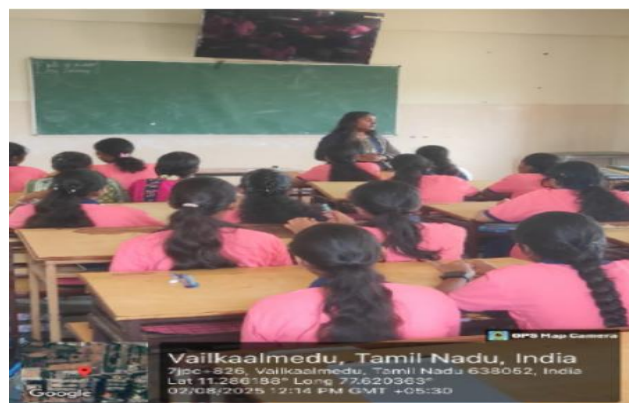

ASSOCIATION INAUGURATION

The inaugural function of the Association of Computer Science Engineers was organized by the Department of Computer Science and Engineering at Nandha College of Technology on 19th July 2025, marking the beginning of a vibrant academic year of technical and co-curricular activities. The function was formally inaugurated by Ms. Karthiga Jaganathan, Software Developer at IBM India Pvt. Ltd., who graced the occasion as the chief guest and inspired the students with her industry insights. Mr. Dr.A.Chandrasekar, Head of the Department of CSE, commenced the function by welcoming the gathering and introducing the office bearers of the Association. Thiru V. Shanmugan, Chairman of Nandha Educational Trust, presided over the function, while the felicitation address was delivered by Mr. S. Nandhakumar Pradeep, Secretary of Sri Nandha Educational Trust. Mr. S. Thirumoorthy, Secretary of Nandha Educational Institutions, also addressed the gathering and appreciated the efforts of the organizers and students. Dr. S. Nandagopal, Principal of Nandha College of Technology, delivered the keynote address, emphasizing the growing opportunities in domains such as Artificial Intelligence, Data Science, and Cybersecurity, and encouraged students to enhance their skills to meet industry expectations. In her inaugural address, Ms. Karthiga Jaganathan shared valuable insights into software development practices, career growth, and the importance of continuous learning, communication skills, and adaptability in the corporate world, motivating students to actively engage in projects and internships. The event

witnessed enthusiastic participation of around 250 students from the CSE department, and the function concluded with a vote of thanks delivered by Professor V. S. Suresh Kumar, expressing gratitude to all dignitaries, faculty members, and students for making the event a grand success.

ALUMNI INTERACTION

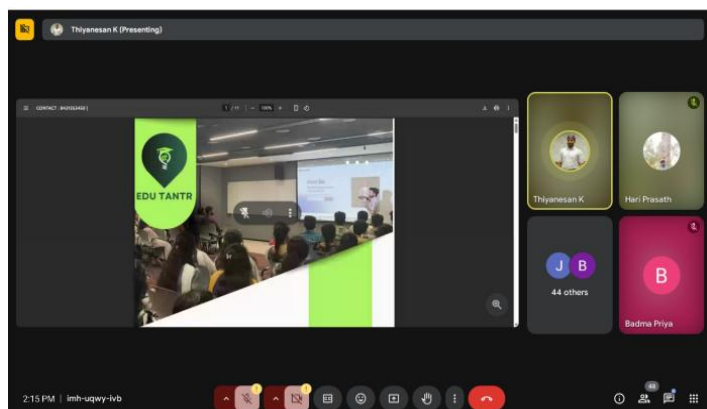

Department of Computer Science and Engineering, Association of CSE has organized Alumni Interaction on Bridging the Gap: From Campus to Career 02.08.2025. The resource person for the Alumni Interaction was Ms. Sugirtha Jenifer B, Software Engineer, Capgemini, Chennai. The Alumni Interaction was inaugurated by Principal with welcome address. The Alumni Interaction provided valuable inputs for participants on Job Opportunities and Current technologies of IT. All the participants actively participated and interacted in the Alumni Interaction. All the sessions went in an interactive manner which made participants to gain knowledge and also to clarify their doubts. The Alumni Interaction ended with a vote of thanks by Dr.A.Chandrasekar HOD/CSE .

SEMINAR ON DATA ANALYTICS TOOLS

Department of Computer Science and Engineering, in association with the Association of CSE has organized Webinar on “Data Analytical tools” on 06.05.2025. The resource person for the workshop was Mr.M.Harisudhan, Project Head, Edu Tantra, Bangalore. The webinar was inaugurated by Dr.A.Chandrasekar, HoD/CSE. P.Kanagapandi a Second CSE Student delivered the welcome address. The webinar proved to be a valuable learning experience, offering insightful sessions on SQL optimization, indexing, Tableau , etc. Participants engaged actively, fostering a dynamic and interactive environment throughout the webinar. All sessions encouraged open discussions, enabling participants to gain knowledge, clarify doubts, and broaden their understanding of the subject matter. The workshop concluded on a positive note with a vote of thanks delivered by Ms.M.Saruthi, a second year CSE student.

INDUSTRIAL SEMINAR ON “MICROSERVICE AND ITS APPLICATIONS”

Department of Computer Science and Engineering has organized Seminar on “A Futuristic View On Microservices and its Application”. The Seminar was conducted by Ms. Karthiga Jaganathan, Software Developer ,IBM India Pvt, Limited , Bangalore on 19.07.2025 .The Seminar was inaugurated by Dr.S.Nandagopal, Principal and welcome address by Dr.A.Chandrasekar HOD/CSE . The seminar provided valuable inputs for participants on future trends of microservices in modern software development and highlight their applications, benefits, and challenges across industries using emerging technologies for applications . All the participants actively participated and interacted in the seminar.The sessions went in an interactive manner which made participants to gain knowledge and also to clarify their doubts. The seminar ended with a vote of thanks by Mr.V.S.Sureshkumar AP/CSE

WORKSHOP ON APPLICATION DEVELOPMENT USING ARTIFICIAL INTELLIGENCE

The Department of Computer Science and Engineering organized an Industrial Seminar on the topic “Application Development using Artificial Intelligence” on 01st August 2025. The session was conducted by Mr. K. Boopathikumar, a seasoned expert in the field and the CEO & Founder of Training Trains Software Technologies, Erode. The seminar began with a warm welcome address delivered by Ms. Rachana U (732124104079), a Second Year CSE student, who set the tone for an inspiring and informative session. The seminar provided valuable inputs for participants on the role of Artificial Intelligence in application development, highlighting its applications, benefits, and challenges in building intelligent, user-centric software. All the participants actively engaged in the sessions, which were conducted in an interactive manner, enabling them to gain in-depth knowledge, ask questions, and discuss real-time use cases of AI in software solutions.

NATIONAL LEVEL TECHNICAL SYMPOSIUM

National Level Technical Symposium was grandly organized by all departments of Nandha College of Technology, Erode on 26.09.2025, showcasing a vibrant confluence of innovation, talent, and technical brilliance. Dr. A. Chandrasekar, Head of the Department of Computer Science and Engineering, delivered the warm and inspiring welcome address to kick off the inaugural function. Thiru V. Shanmugan, Chairman of Nandha Educational Trust, graciously presided over the ceremony. Dr. S. Arumugam, CEO of Nandha Educational Institutions, delivered the presidential address, where he eloquently highlighted the vision and purpose behind organizing the symposium. Also he added that the extended new ideas should be presented at the symposium independently of existing trends. The felicitation address was gracefully delivered by Mr. S. Nandhakumar Pradeep, Secretary of Sri Nandha Educational Trust, adding warmth to the occasion. Mr. S. Thirumoorthy, Secretary of Nandha Educational Institutions, extended his heartfelt greetings to the students and applauded the spirit of the event.

ACADEMIC SEMINAR ON “BA”

The Department of Computer Science and Engineering proudly hosted an Academic Seminar on “Practical Applications of Business Analytics in Industry” on 19th September 2025. The insightful session was led by Dr. M. Saravanan, Associate Professor, Department of AI & DS, KPR Institute of Engineering & Technology, Coimbatore. The seminar commenced with an engaging welcome address by Ms.D.Anusuya (732123104006), a dynamic third-year CSE student, who set the perfect tone for an inspiring and knowledge-rich session. The seminar concluded with a vote of thanks delivered by Mrs. Mythili Sri S (732124104062), a Second Year CSE student, who acknowledged the speaker's contributions and expressed gratitude to the organizing team for facilitating such a knowledge-enriching event.

*Students in Seminar***WORKSHOP ON AI FOR APP**

The Department of Computer Science and Engineering organized a Workshop on “AI for Application Builders” on 03rd September 2025. The session was conducted by Mr. V.M.ASWATH, a seasoned expert in the field and the Technical Lead of APEX I SYS, Coimbatore. The workshop began with a warm welcome address delivered by Ms. Nandhika R (732124104063), a Second Year CSE student, who set the tone for an inspiring and informative session. Workshop on “AI for Application Builders” provided valuable insights into the role of Artificial Intelligence in application development. The sessions highlighted the applications, benefits, and challenges of leveraging AI to build intelligent and user-centric software. Participants actively engaged throughout the workshop, which was conducted in an interactive manner, enabling them to gain in-depth knowledge. They had the opportunity to ask questions, explore real-time use cases, and discuss practical applications of AI in modern software solutions.
