Minutes of the Meeting

Item No.	Discussion Point / Agenda	Decision / Resolution
1.1	Welcome address by the Chairman & Introduction of BoS members	<ul style="list-style-type: none"> Dr.R.Jayanthi, HoD/ECE welcomed all the members to the Second Board of Studies meeting conducted after the institution attained autonomous status. The Chair highlighted the importance of academic planning and outcome-based education under the autonomous system. Dr.R.Jayanthi, HoD/ECE, introduced all the members of the Board.
1.2	Proposal and confirmation of regulations.	<ul style="list-style-type: none"> The Board discussed and approved the Regulation 2025 Curriculum and Syllabus for the III and IV Semesters. It was resolved to adopt the Anna University Curriculum and Syllabus for the UG (III and IV Semesters) and PG programmes, with the modules restructured into five units. BOS have also recommended and approved the syllabus and curriculum for R-2026-1st and 2nd semester. The Board reviewed the syllabi and provided valuable suggestions for enhancing the courses Electronic Circuit Analysis and Basic Electronics and Electrical Engineering.
1.3	Academic Plan and class schedule for the semester.	<ul style="list-style-type: none"> The Board reviewed the academic plan and class schedule for the upcoming semester and found them to be in accordance with the academic calendar and curriculum requirements. The members suggested ensuring timely completion of syllabus, effective conduct of laboratory sessions, and proper scheduling of assessments and academic activities.
1.4	Review of internal assessment pattern, exam structure and evaluation guidelines.	<ul style="list-style-type: none"> The Board reviewed the existing internal assessment pattern, examination structure, and evaluation guidelines and found them effective in assessing students' learning outcomes. The members recommended maintaining transparency and uniformity in the evaluation process and incorporating outcome-based assessment methods for continuous improvement.

1.5	Review of laboratory facilities, learning resources and academic infrastructures.	<ul style="list-style-type: none"> The Board reviewed the adequacy of existing laboratory facilities, learning resources, and academic infrastructure and found them satisfactory for effective teaching and learning. The members recommended periodic up gradation of laboratory equipment, software tools, and digital learning resources to meet emerging technological and industry requirements.
1.6	Additional suggestions and inputs from external experts, alumni, and industry members, along with discussion on industry interaction and internship framework	<ul style="list-style-type: none"> The Board discussed the importance of strengthening industry interaction to enhance students' practical exposure and employability. The members emphasized the need for regular guest lectures by industry professionals, industrial visits, internships, industry-supported projects, and collaborative activities to bridge the gap between academic learning and industry requirements.
1.7	Any Other Matter with the Permission of the Chair.	<ul style="list-style-type: none"> The members made the following suggestions: Encourage students to take up online certification courses (NPTEL, SWAYAM, etc.) Organize workshops and seminars on emerging technologies. Promote interdisciplinary learning through open electives.
1.8	Vote of thanks and meeting closure	<ul style="list-style-type: none"> The meeting concluded with a vote of thanks proposed by Dr. R.Jayanthi, HoD/ECE, who thanked the all the Board of Studies members for their valuable suggestions and active participation.

R. Jayanthi
