NANDHA
COLLEGE OF TECHNOLOGY
(Autonomous)
Erode - Tamilnadu - India

a place for your goals...

Information Booklet

www.nandhatech.org

VISION

To be a Technical Institution with Global standard of Academic and Research for the need of Society and Industry.

MISSION

- To provide value based technical education to produce quality professionals and responsible citizens.
- To perform state of art research and develop products to contribute to the Society and Nation.

QUALITY POLICY

We, at Nandha College of Technology, as a dedicated team are committed to constantly and consistently work for the students' continual improvement in terms of Quality in Education, Ethics,Updated Technical Knowledge, Personality Development and Career Advancement to meet the global Challenges.

Chairman Message

I am immensely pleased to know that Nandha College of Technology has become alma mater for many of our young and future generations. Success starts with a thought or an idea when honoured with hope and confidence, that idea sprouts, blossoms and leads to action with knowledge. Nandha Educational Institutions is a creation to impart and provide such a knowledge which is strength and power to the society with the learning of the latest developments of the world to meet the growing demand for trained man power.

We are set to take the mission of implementing new education methodologies to enable quality learning. It also encourages independent thinking and helps the student in developing wholesome personality so that they can contribute their best to the society and the country. Nandha Educational Institutions takes keen interest in updating it's infra structures which provides an ambience that stimulate intellectual thinking and academic interaction to meet the technological revolution and new challenges of modern era.
