Department of Information Technology

Dr.S.Nandagopal
Principal

Technical Education is the backbone of every nation and is the stepping stone for a country of a developed nation. A engineer has to solve problems in their domain areas with strong innovative ideas with scientific knowledge. We aim to provide sufficient opportunities to each student to discover and understand themselves, and face and overcome challenges presented to them to make student life fulfilling and complete.

I wish our students all success in their endeavors.

Dr.M.Karthick

Head of the Department

IT'S A PROUD MOMENT FOR ME TO CONGRATULATE THE IT DEPARTMENTS FOR ITS GREAT INITIATIVE IN BRINGING OUT THE NEWSLETTER.LEARNING IS A CONTINUOUS PROCESS AND DOES NOT END WITH THE ACQUISITION OF A DEGREE, ESPECIALLY BECAUSE STEADY AND RAPID ADVANCES IN COMPUTING TECHNOLOGIES SHORETEN THE LIFE OF POOLS AND TECHNIQUES PREVALENT TODAY.I WISH A VERY BEST OF LUCK TO THE STUDENTS.

VISION

TO BE A CENTER OF EXCELLENCE IN THE FIELD OF INFORMATION TECHNOLOGY WITH GLOBAL STANDARDS OF ACADEMIC AND RESEARCH FOR THE NEED OF SOCIETY AND INDUSTRY.

MISSION

TO PROVIDE VALUE BASED INFORMATION TECHNOLOGY EDUCATION AND PRODUCE INNOVATIVE,COMPETENT AND HIGH QUALITY IT PROFESSIONALS FOR THE GROWING DEMAND OF SOCIETY AND INDUSTRY.

TO FACILITATE THE STUDENTS FOR THE CONSTANT UPGRADATION OF TECHNICAL EXPERTISE AND PERFORM RESEARCH ACTIVITIES TO SOLVE THE REAL WORLD PROBLEMS.

ASSOCIATION INAUGURATION

The “Association of IT ENGINEERS” was inaugurated on **20-08-2024** at the **Placement Auditorium of Nandha College of Technology**. **Mr.Prem Subramanian**, Associate, Cognizant Technology Solutions Pvt. Ltd.,Chennai. Inaugurated the association by lighting the traditional lamp. The Office Bearers of the Association were introduced by **Dr.M.Karthick**, **Head of the Department**, then the Chief Guest addressed the students. He pointed out the various developments in the IT Industry and he asked the students to update their knowledge (Cloud Computing, Business Intelligence) in the various aspects to get better opportunities in the Industry.

INDUSTRIAL SEMINAR

The Industrial Seminar on “**Business Intelligence & Analytics in CLOUD**” was conducted on **20-08-2024** at **Placement Auditorium of Nandha College of Technology**. **Mr.Prem Subramaniam**, Associate, Cognizant Technology Solutions Pvt. Ltd., Chennai. He explained about the technologies involved in latest technologies & tools, application used for current industry. He motivated the students to think of Cloud like GitHub, AWS, Microsoft Azure, Cloudyn, Data visualization, Business performance management and Google Cloud. Finally he added that the students can get good jobs by learning the Career development courses.

MOU ACTIVITY

The MoU Workshop on “React JS and Angular JS” was conducted on **02-09-2024** at **Conference Hall of Nandha College of Technology**. **Mr. Yuvaraj M**, Director, UCS Syscoms LLP & Testlead Solutions India Pvt.Ltd , Thalavaipettai,Erode.. He explained about the technologies involved in Full stack development used for current industry. He motivated the students to think Model View Controller (MVC) Framework, Active community on Google, Virtual DOM, Open Source MVC Framework, Open Source JS Framework, Actions, State, and JSX. Finally he added that the students can get good jobs by learning the Career development courses

MOU ACTIVITY

The MoU Workshop on “Google Ads” was conducted on 26-09-2024 at CC5 Laboratory of Nandha College of Technology. The Chief guest was **Mr. Lokeshkumar Manoharan**, Managing Director, SEGOLSYS, Coimbatore. He explained about the Google Ads and its benefits such as promoting business, product marketing, creating brand awareness, controlling ad costs, reaching massive target audience, monitoring the performance of ads, maximizing return on investment and accelerating website traffic. He gave a complete overview of the advertisement process creation including image and video ads. He also motivated students to use these Google ads in their startups and business in future. The students found the session more informative and useful for their career development.

INDUSTRIAL SEMINAR

The Industrial Seminar on “**Generative AI**” was conducted on **06-11-2024** at **Conference Hall of Nandha College of Technology**. The Chief guest was **Mr. Harish Babu**, Growth Manager & 4.0 Career Mentor, NXTWAVE, Hyderabad. He explained about the generative AI has been driven by the simplicity of new user interfaces for creating high-quality text, graphics and videos in a matter of seconds. It also unlocked concerns about deep fakes -- digitally forged images or videos -- and harmful cyber security attacks on businesses. He also motivated students to use these generative AI in their startups and business in future. The students found the session more useful and fruitful for their career development.

MOU ACTIVITY

The MoU Seminar on “Emergence of Agent AI” was conducted on 21-02-2025 at CC5 of Nandha College of Technology. Mr. Yuvaraj M, Director, UCS Syscoms LLP, Thalavaipettai, Erode. He explained about the technologies involved in AI features and Technology used for current industry. He motivated the AI-powered systems can handle tasks that require little to no creativity or critical thinking, freeing up human workers to focus on more complex and meaningful work. AI Features Eliminate dull and boring tasks, data ingestion, Imitates human cognition futuristic and prevent natural disasters. Finally he added that the students can get good jobs by learning the Artificial Intelligence courses.

MOU ACTIVITY

The MoU Seminar on “Python with DJANGO” was conducted on **24-02-2025** at **CC6 of Nandha College of Technology**. **Mr. Baheerathan.K**, Tech Lead, Gateway Software Solutions, Coimbatore. He explained about the Python with DJANGO used for current industry. Django is a high-level Python web framework that encourages rapid development and clean, pragmatic design Django emphasizes reusability of components, also referred to as DRY (Don't Repeat Yourself), and comes with ready-to-use features like login system, database connection and CRUD operations (Create Read Update Delete). Finally he added that the students can get good jobs by learning the Django.

INDUSTRIAL SEMINAR

The Industrial Seminar on “**Blockchain in Finance and Crypto currency**” was conducted on **27-02-2025** at **CC6 of Nandha College of Technology**. **Mr. Surendar.C, Technical Head, Aakkam Industrial Training and Research Institute, Coimbatore**. He explained about the Block chain in Finance and Crypto currency used for current industry. They maintaining a secure and decentralized record of transactions, but they are not limited to crypto currency. The Block chain stores information electronically in a digital format to make transactions secure. Block chain was used in bitcoin. Bitcoin is a crypto currency which is built on the basis of Block technology. Block chain has since been used in the creation of various crypto currencies, decentralized finance applications, non-fungible tokens and smart contracts. Finally he added that the students can get good jobs by learning a blockchain.

INTRA DEPARTMENT MEET

An Intra Department meet for Even Semester was conducted on **28.02.2025** at **CC-5** of **Nandha College of Technology**. All the participants actively participated and interacted in the Intra Department Meet. All the sessions went in an interactive manner which made participants to gain knowledge. Students were participated and cherish the occasion. The Intra department meet various events such as Paper Presentation, Technical Quiz , Multimedia Presentation and Just a Minute. The Intra Department Meet ended with a vote of thanks by **Mr.M.Karthick, HoD/IT**.

INTER DEPARTMENT MEET

An Inter Department meet was conducted on **12.03.2025** at the **CC5 Lab of Nandha College of Technology**. Students from the other Departments were participated and cherish the occasion. In this function totally 40 students were presented their papers and more than 112 students were participated the events like Paper Presentation, Multimedia Presentation, Adzap and Just A Minute.

MOU ACTIVITY

The MoU Workshop on “**Building Scalable and Secure MERN Applications**” was conducted on **13-03-2025** at **CC5 of Nandha College of Technology**. **Mr. Suriya Thirumurugan**, Technical Lead, SEGOLSYS, Coimbatore. He explained about the MERN with Full stack Applications. Developers recognize the MERN stack as a simplified development platform for building highly scalable and interactive web applications. MERN Stack comprises of 4 technologies namely: MongoDB, Express, React and NodeJS. It is designed to make the development process smoother and easier. Express makes it simpler and easier to write the back-end code. Finally he added that the students can get good jobs by learning the MERN.

INTERNATIONAL CONFERENCE

A International Conference On Intelligent Computing And Control Systems (**ICICCS 2025**) was conducted on **19.03.2025 to 21.03.2025** at **Conference Hall of Nandha College of Technology**. Students from other Colleges were participated and cherish the occasion. In this function more than **100 students** were presented their Paper. International conferences bring together individuals from various Cities, creating a diverse and multicultural environment for knowledge exchange. Conferences provide access to the latest research, technological developments, and industry trends. Presenting research findings or engaging in discussions allows participants to contribute to the advancement of their field.

ACADEMIC SEMINAR

The Academic Seminar on “ **Cyber Resilience: Building a Secure Digital Environment**” was conducted on **28-03-2025** at **CC7 of Nandha college of Technology**. **Dr.J.Praveenchandar**, Assistant Professor (SG), Division of Artificial Intelligence & Machine Learning, Karunya Institute of Technology and Sciences, Coimbatore. He explained about the Cyber Security. It's also about preventing unauthorized access to the vast amounts of personal information we store on these devices, and online. Zero trust takes a more granular approach to security, protecting individual resources through a combination of micro-segmentation, monitoring, and enforcement of role-based access controls. Finally he added that the students can get good jobs by learning the Cyber Security and Mobile security.

CHANDRIGAI FEST 2025 – A NATIONAL LEVEL TECHNICAL SYMPOSIUM

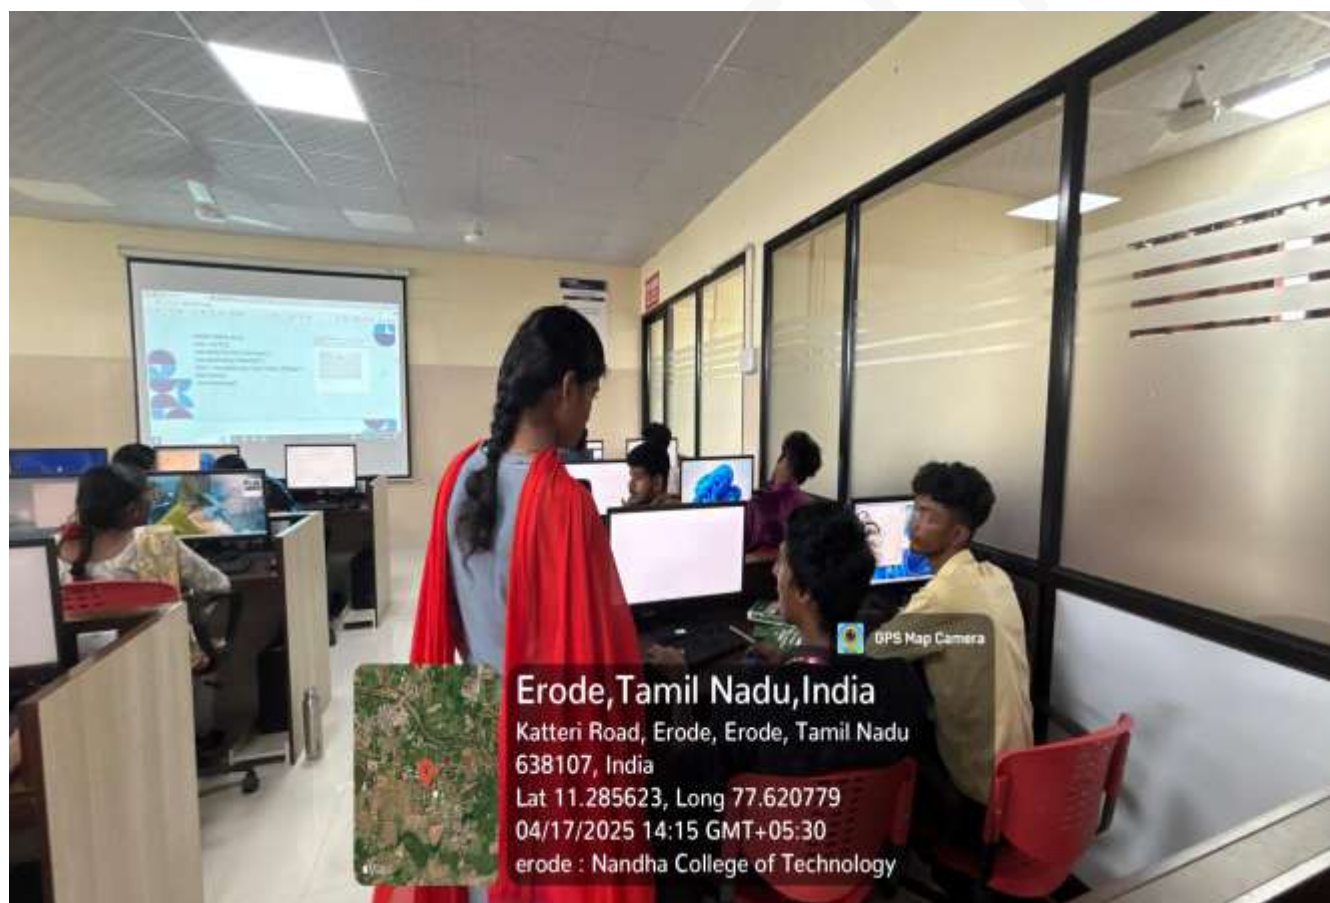

The 14th National Level Technical Symposium was conducted on **05-04-2025** by Department of Information Technology ThiruV.Shanmugan, Chairman, Nandha Educational Trust, presided over the inaugural function. Dr. S.Arumugam, CEO, Nandha Educational Institutions, delivered the presidential address. He supposed the students about the purpose of organizing symposium in that he extended new ideas should be delivered without dealing with the existing trends through the symposium. The Felicitation address was provided to the gathering by Mr. S.Nandhakumar Pradeep, Secretary, Sri Nandha Educational Trust, Mr. S.Thirumoorthy, Secretary, Nandha Educational Institutions, greeted the students and occasion. **Dr.S.Nandagopal, Principal, Nandha College of Technology**, delivered a valuable speech about developing our basic enrichment of knowledge, work smartly, remember parents, and self confidence. When we show ego, stress don't expose these, let us spread happiness.

The symposium was inaugurated by **Mr. N.Vinod Kumar, Senior Manager, Quality Assurance , Coral Manufacturing Works India Pvt,Ltd.** and he delivered the inaugural Speech. The each student should choose their goals, develop communication skills and think positively. He also conveyed that two skills are more important for them. The skills are technical and functional. He also said attitude and self discipline is more important things. Attitude is a key to success. It includes positive attitude, self discipline and conversion. In industries disciplined peoples are placed and accept the situation and plan for situation. He advised to concentrate on familiar technologies like AI, ML, Data Science, and Block Chain technology. He asked the every student should learn everything. The symposium was flourished with 250 participants from more than 50 various institutions all over the Tamilnadu.

INDUSTRIAL SEMINAR

The Industrial Seminar on “**tkinter Interface in Python**” was conducted on **17-04-2025** at **CC7 of Nandha college of Technology**. **Mr.Sathya.P**, Software Developer, ETS Academy, Erode. She explained Tkinter is based on the Tk GUI toolkit, originally developed for the Tcl programming language. Creating windows and dialog boxes, Prototyping a GUI & Creating custom widgets. It is cross-platform, meaning applications built with Tkinter can run on Windows, macOS, and The tkinter package (“Tk interface”) is the standard Python interface to the Tcl/Tk GUI toolkit. Both Tk and tkinter are available on most Unix platforms, including macOS, as well as on Windows systems. Finally, she added that the students can get good jobs by learning the tkinter in Python.

ACADEMIC SEMINAR

The Academic Seminar on “A Fun Start to Linux & Shell Programming” was conducted on **26-04-2025** at **Conference Hall of Nandha College of Technology**. **Dr.K.Gowsic, Associate Professor / CSE, Mahendra Engineering College, Namakkal**. He explained shell Programming & Linux used to automate tasks, perform system administration, and interact with the system in a non-interactive way, according to Naukri Code 360. BASH (Bourne Again SHell), KSH (Korn SHell), CSH (C shell), There are many other shells available like: ZSH (Z shell), Fish Shell, POSIX, TENEX, Commands: cd, ls, echo, touch, cat, pwd, mkdir, etc. Finally, he added that the students can get good jobs by learning LINUX.

HACKATHON(Hack the Vault)

A Hackathon was conducted on **29.04.2025 & 30.04.2025** at **Conference Hall of Nandha College of Technology**. Students from other Colleges were participated and cherish the occasion. In this function totally **35 teams and 130 students** were presented their project. A hackathon is a collaborative event, **24 hours**, where people work together to develop software or hardware prototypes, often focusing on solving a problem or exploring a new technology. The goal is to create something functional in a short amount of time, fostering innovation and skill development.
